**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Monday, July 26, 2021:

MINUTE entry before the Honorable John J. Tharp, Jr: Upon review of the plaintiffs' Status Report on the Administration of Settlement [147] and Tower Research Capital LLC's Objection to SSG Global's Request for Exclusion [150], the Administrator is directed to treat SSG's exclusion request as untimely filed. The request was not timely submitted and SSG Global's delay in failing to attempt to communicate its exclusion request until the day before the request was due, during a pandemic in which international travel restrictions have been widely recognized, does not constitute good cause to excuse the untimely request. SSG Global's exclusion request cites no ambiguity in the required procedures or other reason why it was unable to determine that it wished to be excluded from the settlement class until one day before the exclusion deadline. Mailed notice(air, )
